Ducted

Requires external or internal motor
(see page 11)

RRP €1,999
Code: ADAGIOGMEWHA90
Lead time: 7 weeks

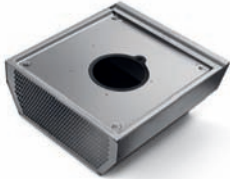

EXTERNAL & INTERNAL MOTORS:

A selection of Elica hoods can be equipped with a separate motor system, where the motor is installed outside the kitchen environment or even outside the house itself.

Compared to the same model with an attached motor, the external or internal motor improves airflow performance by up to 35% and can reduce perceived noise level by 20%.

EXTMOTOR

ELICA EXTERNAL MOTOR

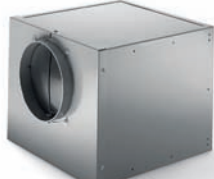

Max airflow of 850m³/h
Max noise level 59dB
150mm diameter ducting
H480 X W445 X D170

RRP €199
Code: EXTMOTOR
Lead time: In Stock

GMESEM1

ELICA INTERNAL MOTOR

Max airflow of 1000m³/h
Max noise level 63dB
150mm diameter ducting
H255 X W302 X D302

RRP €399
Code: GMESEM1
Lead time: In Stock

GMESEM2

ELICA EXTERNAL MOTOR

Max airflow of 1000m³/h

ELICA QUALITY:

The technical skill of designers and the expertise of the team of technicians who assemble the products, merge into a single element born of passion, attention to detail and innovation, that finds expression in the product installed in homes around the globe. Passion for design and attention to quality, give way to passion for the customer at the time of purchase.

All models undergo checks and laboratory tests to ensure: efficient suction, electrical safety, low noise and high reliability. But that's not all. At

the end of the production line, checks are conducted on samples to ascertain functional quality, aesthetic and packaging quality.

The focus on the quality of the product continues into distribution, and does not culminate after the delivery into homes around the globe. Elica provides an outstanding level of service and labour and should the unexpected happen all Elica products carry a two year parts and labour warranty for complete peace of mind.
